

Lincolnshire's Most Stylish & Iconic
Wedding Venue

Harbour Lights

Welcome to Harbour Lights

Elegant, romantic, and unique – we believe this is the perfect combination to compliment your love story! That's why, here at Harbour Lights, we have created a venue that offers a romantic escape for any couple looking for an intimate space that is one of a kind, to celebrate their commitment.

Suspended on stilts above the water and made predominantly of glass, this individual venue is truly romantic – not only because of the surrounding gentle sounds and beautiful sights of lapping water and bobbing boats, but the twinkling reflections of stylish lights. With breath-taking views of Lincolnshire's premier marina complex, the privileged positioning of Harbour Lights not only provides an

atmosphere of tranquillity, but an elegant and fairy-tale backdrop to the photographs of your day.

Inside, the romance of Harbour Lights is plentiful. Furnished with soft 'booth' seating, and decorated with contemporary and comforting colours that reflect the marina waters, Harbour Lights oozes intimacy, class, and sophistication.

What we can do for you

Perfect for those couples who are looking for a stylish and unique alternative to the traditional 'weekend wedding,' Harbour Lights is available to host your special day Monday-Thursday (excluding bank holidays).

Whichever day of the week you choose to share with us, we promise you that you will have our undivided attention – your special day will be our top and only priority.

One of the many beauties of Harbour Lights is that the intimate atmosphere remains regardless of the number of guests. So, whether you are looking for a 'cosy' space for 30 guests, or a romantic and sophisticated venue for 80 wedding breakfast guests and 120 'dancing' evening guests, Harbour Lights can be perfectly personalised to accommodate! Furthermore, the outdoor balcony over the water provides a special space for a drinks reception of up to 80 people, as well as a truly unique opportunity for photographs.

Whether you imagine celebrating your commitment

with a glass of champagne in hand and a front-row seat enjoying the sunset, or by basking in the warm glow of our indoor open-fire elevated amongst an elegant spiral of twinkling lights, Harbour Lights can be personalised perfectly for your celebration of a life-time, at any time of the year.

To ensure your day flows smoothly, you will have your own wedding coordinator to assist you with anything and everything - from external wedding suppliers to any special finishing touches you decide upon!

Fabulous Food & Delectable Drinks

As one of Lincolnshire's most revered restaurants, our chefs are ideally placed to tantalise your taste-buds with an unrivalled wedding breakfast!

Lovingly prepared and cooked on the day, with only the freshest and highest quality ingredients, the wonderful aromas from our kitchen will get your mouths watering from the moment you take your seats.

Whether it be our selection of starters, mains and desserts or our wonderful evening buffet, we promise that you will be delighted by the food our efficient and friendly front of house team present to you. The elegance and sophistication of Harbour Lights is reflected in the professional and beautiful presentation of all our meals. From the first bite, you will be assured that trusting us with your special day,

was the right (and tastiest!) decision to make.

Our impressively stocked bar is able to provide something for everyone - from luxury champagne, to expertly crafted cocktails, an extensive range of spirits, whiskeys and cognacs, real ales and draught lagers, fine wines and even a wide selection of everyone's favourite hot and soft drinks

An Evening of Dance, Romance & Laughter

As the sun begins to set over the marina, Harbour Lights takes on an elegant glow, perfect for an evening celebration.

Whether you choose a DJ booth or live music, we provide a comfortable and intimate space to lead you and your guests into an evening of dance, romance and laughter.

And if you are looking for that moment of privacy, our mezzanine lounge area houses comfortable sofas and
